FLASH-FLASH-FLASH FLASH,
REMINDER THE JULY MEETING IS ON
JULY 3RD INSTEAD OF JULY 4TH, DUE
TO THE HOLIDAY!!

From the Desk of the President

Just a few fun facts about Ford's flathead V8 --It didn't become popular until after WWII because it was no match for an overhead 4-banger with similar cubic inches. After the V -8's could be made much bigger than their older brothers, they started to take over. Model B's could easily be bored out to 220cu. inches and many were bored and stroked to 239 inches, the same size as Mercury came out with in 1939. In 1949 Mercury V-8's came with a longer 4" stroke crankshaft which could be ground off-center another 1/8" and with a 3/16" (Yes, 3/16") overbore- resulting in a hefty 296 cu. inches

Treasurer: Gregg Lowry reported a club balance!

Secretary: Janice presented the May minutes. Motion to accept made by Irene Griffin and seconded by Marilyn Rounds. Motion passed.

Director: Cal advised that Rudy Perez's father passed on Saturday.

Accessories: Irene Griffin thanked everyone for the interest in the tee shirts with your car on it but needed some missing information on sizes, white or gray, shirts with or without pocket, light weight or heavy, so she can get prices.

Advertising: Cal had nil to report except he sent out 8 letters yesterday to advertisers.

Sunshine: Jackie Ouellette not present but Ray Ouellette advised she is home sick and he will stop and buy her a get well card on the way home, She sent out 4 cards - Marlene due to a fall; Gary Potts' family; Rudy & Lori Perez and Leona Spanier, who was in the hospital but is here today looking great.

(Cont. page 3)

(Cont. from page

Ray & Jackie will be gone for 2 months but will send out cards so let them know what is going on.

Tours: Jay Harris stated that we all should be at the Crusin Grand in Escondido on June 23rd as our club has been invited. In August, he is planning a winery/gourmet meal in Fallbrook or Temecula. He is sending around a sign-up sheet for same with preferences for a 1 p.m. or a 6 p.m. sitting. No tour for September due to the Harris tour to Oregon.

Newsletter & Web Site: Bob McClelland not present.

Old Business: None.

New Business: Cliff advised that our next meeting is currently set for the 4th of July and asked members if they wanted to continue that date or change. Most agreed to change so after talking to the Broken Yolk manager, it was agreed to hold our meeting on Monday, July 3rd. Also, the Club received an email from the Early Ford V-8 Club that they are making a quilt for the National Meet in 2018 and would like us to donate a square for same with our name and/or logo and city on it. Patsy volunteered to do same.

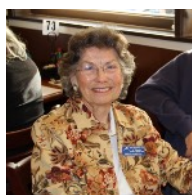

Announcements: Judd Lynn advised that Murrieta is having a parade of old cars on the 4th of July and Veterans day and to let him know if you are interested. It is held in the Temecula/Murrieta area. Also, don't forget Fathers Day show in Murrieta and the last Saturday of the month is the downtown car show in Lake Elsinore.

Program: Cal Westra showed pictures from the last tour before the meeting. Michael Dollard talked about Ethanol and advised that if you have no problems now, you probably won't in the future. Rubber hoses are bad with ethanol and cars are hard to start in the mornings but run cooler. Being no further business to come before the meeting and on motion duly made the meeting adjourned at 10 a.m.

It is directed that this action be filed in the Minute Book of the Corporation. This action is executed pursuant to the Corporation Code of the State of California, which requires accurate minutes of any meeting of the Board be maintained.

Dated: June 8, 2017

Respectfully submitted,
Janice Gustin - Secretary
Corporate Minutes

Accessories for July, 2017

Thank you everyone for your patience with the T-shirts with your car printed on them. I have submitted the sizes and style requests to our supplier but as of this writing have not heard from him. FLASH (6-21) just received the t-shirt prices from our supplier so I will have some numbers for you at the July 3 meeting. In the meantime perhaps you can have your car photographed so that when I provide the costs those interested can have their orders placed without too much delay.

A GREAT BIG THANK YOU TO DON AND SYLVIA HARWICK who are now the owners of the last Palomar Mountain Early V-8 Club jacket. I know when the weather gets cold again it will be welcome to take the chill off. There are still a few tote bags (\$10.00) left—great for beach towels, soft drinks, those dirty clothes after a weekend, mail and whatever. They are sturdy canvas, washable, and hold a lot of whatever you can think to put in them. Also several travel mugs at a great price.

Thank you again for your interest.

Sincerely, Irene

GARY ELMO POTTS

Gary passed suddenly in the third week of May, 2017. Born on April 19, 1946 in Bakersfield, CA, Gary relocated to Southern California in 2011. Gary served as a Vietnam veteran based in Alaska. He went on to have many unique jobs after receiving his MBA through San Jose State University.

In Memory, Our dear friend Gary Potts passed away in May. He joined Palomar Mountain V-8 Club in August of 2014 and was an active member. He will be missed, our thoughts and prayers go out to his family!

Known to his children as 'Papa', Gary was a great story teller and a passionate SF 49ers and Nascar fan. His favorite pastimes included watching movies with his family, building model cars, and entering his prized cars in shows. He was a member of car groups such as the Early Ford V-8 Club and The Senior Living Cruisers. Gary is survived by his children, Kat, Kris, & Kerry; grandchildren, Kenny & Maddi; sisters, Berta & Debi; and his six beloved antique cars.

Gary will be honored with an interment ceremony at Riverside National Cemetery on Monday, June 5th at 11:30am.
