TIME TO VOTE FOR NATIONAL DIRECTORS

In the September/October issue of the V-8 Times. There is a ballot for all of you to vote for the National Director positions!

The Life of Henry Ford

(And now for the Rest Of theStory)

October 21, 1929

Thomas Edison and President Herbert Hoover attend Ford's "Light's Golden Jubilee," an elaborate ceremony marking the 50th anniversary of Edison's incandescent lamp.

As part of the ceremony, Ford unveils the Thomas Edison Institute (now the Henry Ford Museum) and Greenfield Village, which would grow to showcase hundreds of historic buildings and artifacts that Ford had meticulously purchased, dismantled, and reassembled as a recreated rural town -- Ford's deeply nostalgic commemoration of America's past.

October 29, 1929

The stock market crashes and the Great Depression hits the U.S.

December 1, 1929

Henry Ford institutes the \$7 day in an effort to aid his workers and fend off the effects of the Depression, but it is to no avail: between 1929 and 1932, Ford must lay off nearly half of his workforce.

May 26, 1937

The Ford security staff violently attacks United Auto Worker (UAW) members handing out pro-union leaflets at the Rouge. The altercation, which was captured by photographers, became known as "The Battle of the Overpass."

July 29, 1938

The day before Ford's 75th birthday on July 30, Henry, Clara and a crowd of 40,000 spectators attend a pageant at Ford Field in Dearborn, in which 700 performers re-enact scenes from Ford's life.

April 1941

Outside the Rouge, 50,000 Ford employees refuse to work until Ford agrees to meet union demands calling for higher wages, overtime pay, and job security. Ford declares he would rather shut down his factories than give in to the union.

June 1941

Under pressure from Edsel, the unions, and the government, whose war contracts were at stake, Ford finally signs an agreement with union officials. He gives the UAW everything it wants and more -- a union shop, wages equal to the highest in the industry, and union dues deducted from workers' paychecks. (Cont. on page 6)

May 26, 1943

Edsel Ford dies at age 49 from incurable stomach cancer.

June 1, 1943

Henry Ford is re-elected president of Ford Motor Company.

Early 1945

Ford suffers a debilitating stroke while on a trip to Richmond Hill, his estate in Georgia. After returning to Fair Lane, Ford remains mentally and physically languid, often failing to recognize old friends and associates, and is carefully kept out of the public eye.

November 5, 1945

Henry Ford II, Edsel's oldest son and president of Ford Motor Company for just six weeks, sells Fordlandia back to the Brazilian government for a fraction of its value.

April 7, 1947

Henry Ford dies at Fair Lane at age 83.

And that is the rest of the story!

OCTOBERFEST AT THE WESTRA'S OCTOBER 24TH

The Westra's hosted an Octoberfest with 16 members attending. It was a fun time with the day starting out with the guys spending some tech time in the shop! An engine and transmission were partially disassembled. A great lunch followed with brats & hot dogs provided by Cal & Cheryl. Members brought the side dishes. Thanks Cheryl and Cal for opening your house for a fun time and fellowship!

HALLOWEEN TOUR OCTOBER 27TH

The Halloween tour was attended by 48 people. The group was made up of four different Clubs. Rudy & Lori Perez organized the tour for the Temecula Valley Model A Club. They invited the Hemet Crusin Model A's, the Palomar Mountain V-8 Club and a local Hearst Club! The group met in Elsinore and headed to Romoland to tour the Miller Jones Crematory. We toured the facility and were given a very informative presentation. We then Headed to the Miller Jones Mortuary in Hemet! While at the mortuary we were given an explanation of the services provided. At the conclusion we were treated to a luncheon by Miller Jones!

NOVEMBER TOUR

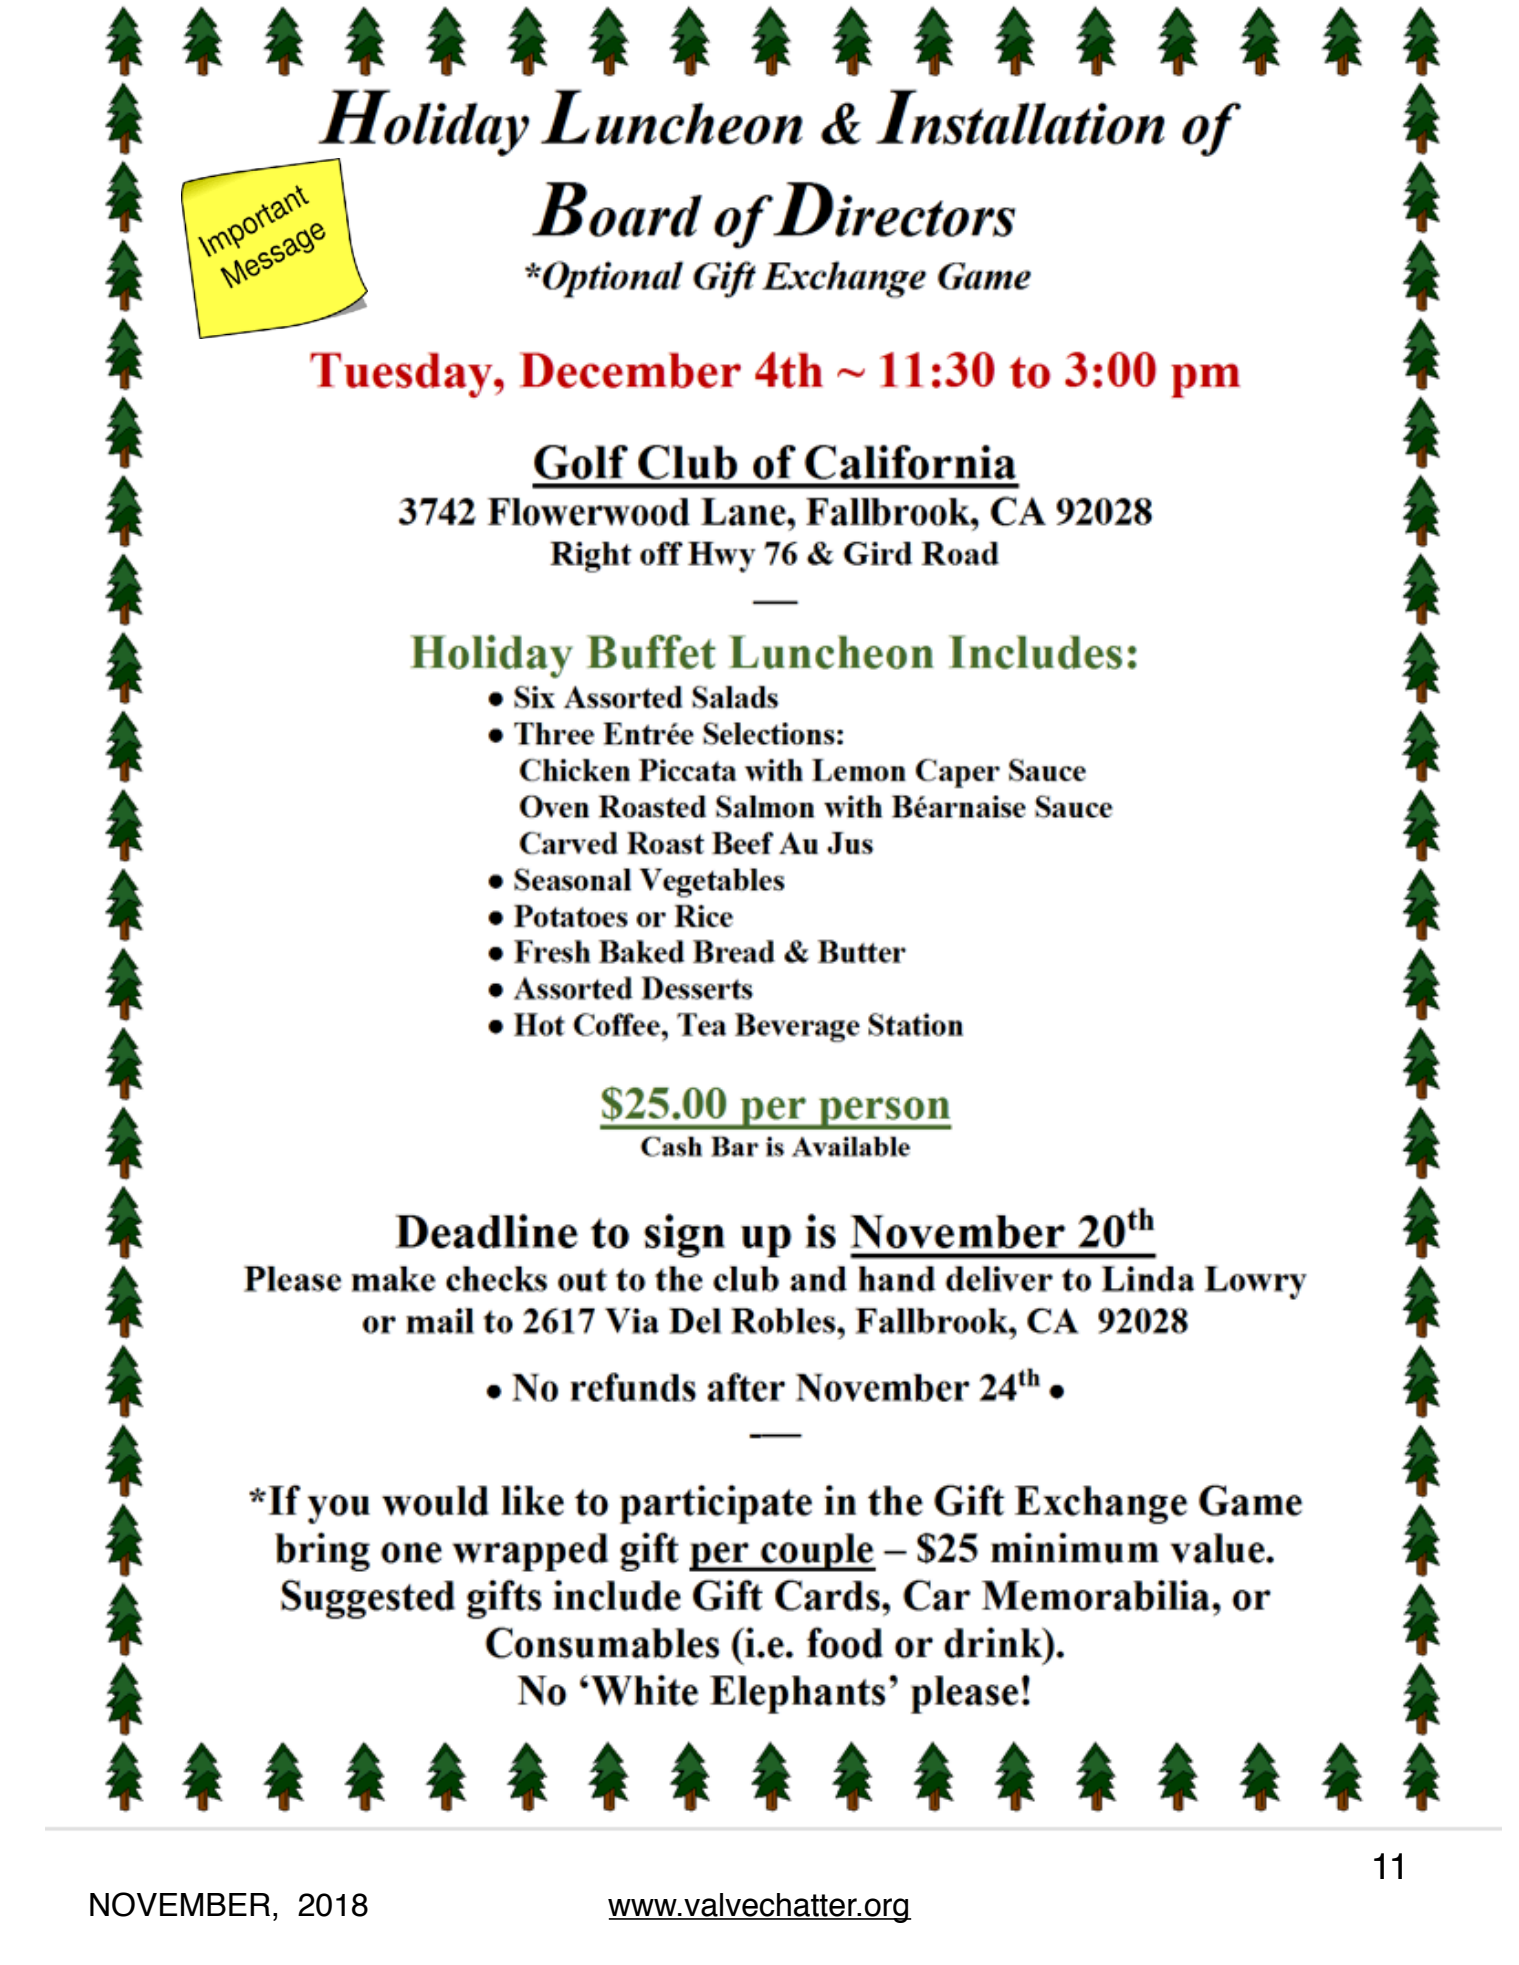

Our tour for **November 14th** will be to view and learn about the windmills we see out in the Palm Springs area. Due to some cancellations there are a few spots remaining. In review, we will depart the Murrieta area at **8:30** for the approximately 1 1/4 hour drive to Palm Springs to the offices of Palm Springs Windmill Tours. There we will learn the history and significance of these giant wind turbines before getting on a bus for a guided tour of the fields where these machines do their work. This company is the only one authorized to enter these fields of machines for an up close and personal look. After the tour we will drive a short ways to Ruby's Diner for lunch before heading home. The cost is \$45.00 per person, and we can pay individually by cash or credit card upon arrival. If you wish to join this special tour call us at 760-310-9530 or email us at the address in the roster. Jay and Janet Harris
