The Palomar Mountain V-8's

Regional Group #148 of the Early Ford V-8 Club of America, Inc
A California Non-profit Organization

From the Desk of the President

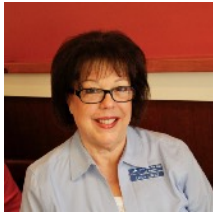

Thank you Dan Krehbiel for your presentation on distributors from the years 1932 to 1953, we were all mesmerized by the information that was given on another part of the vehicles works under the hood. Your examples you showed us were extremely interesting and showed how the distributor evolved slightly but ever to better the product.

This month Sam Jerome will be informing us of his frustrations of building a 1939 Ford Standard Coupe. This 39 Coupe has already won Sam a trophy at the gathering on Cruisin Grand this last month it will go on to win many more trophies when done completely. I'm very pleased with the committees on their reports every month and I am sure you are as well. Thank you.

As you are all aware that the officers are going to go on and serve another year in office. I would like for everyone to keep in mind that in a year we will be looking for officers to fill the positions that will be vacated. Roxy Otteson will head our committee as Chairperson for nomination for the year of 2021. We will be starting early please keep in mind the names you plan on nominating for office. If you plan on volunteering for a position let Roxie know!

Thank you,

Patsy

Corporate Minutes

By Tom Hamlin!

On September 13th, 2019 there was a presentation on Grand Ave in Escondido of some art work that was painted by Daniel Hernandez and the art work is of the areas landmarks of Escondido with Patsy's 1946 Ford front and center of all the landmarks. The affair was attended by friends, two of our friends from our V8 club (Sam Jeromin and Dave Louzek), people attending Cruisin Grand and art personnel making the affair exciting for all. If anyone would like to see the mural it is on the wall at Grand Ave. and Juniper on the northwest corner.

ALL ABOUT TOURS
by
Jay and Janet Harris

ANNOUNCING OCTOBER'S TOUR

We have some exciting news! Arrangements have just been completed for a group tour to the Boucher Hill fire lookout tower located in Palomar Mountain State Park. The original tower was built in 1921, and replaced by the current tower constructed in 1946 on the same site. It is one of only a very few lookout towers in California open to the public. We will be able to climb into the tower and see what the rangers see for 360 degrees. There is also a viewing deck which wraps around the entire tower. Catalina is visible on a clear day!

So, mark your calendars for Friday, October 11th. Sign-ups will be collected at the next meeting, or you may sign up via phone call - 760-310-9530, or email. The cost will only be \$10 per car to get into the park - no charge to visit the tower. Lunch will follow in a little café located just down the road.

Cheers!

Jay and Janet Harris

“ANOTHER ONE IN THE BOOKS”

Well folks, another one is in the books! Thanks to Jim and Sandy Hurlburt, who invited us some months ago to bring the gang out to their home in Ramona, see their assortment of Early V-8s and NOS parts, and follow up the visit with lunch locally. Sept 18th was the day, and what a fantastic turnout! Thirty-three members and guests showed up, and the tire kicking began. Jim and Sandy provided pastries and coffee, and lots of memorabilia to reminisce over.

Then, at 11:15, we all caravanned into downtown Ramona to a delightful '50s restaurant called Graham's Retro Diner. Limited parking was available right in front, and Jim parked his '32 Roadster right behind Ken and Merleen's '35 Coupe and Jay and Janet's '51 Victoria. Two local newspapers were present to record our visit, with the idea of calling attention to this new business, which had it's grand opening just a month earlier. Janet Harris donned her bright red poodle skirt, complete with accessories, and Dory Thompson dressed in appropriate '50s attire as well. They were IN THE SPIRIT. Speaking of SPIRIT, look at the list of Early V-8s driven on this tour compared to moderns! Maybe a new record?! Cont: on pg.10)
