Regional Group #148 of the Early Ford V-8 Club of
America, Inc

From the Desk of the President

Happy St. Patrick's Day

Many thanks to Kyle Allen from C & G Early Ford Auto Parts for his presentation, Kyle talked about parts that are available and how not much is made in the USA. He insured the membership that it was not hard to wire a car. He also had some chrome parts with him that are also available. Very informative presentation, also there was catalogs from C & G and they were scooped up quickly.

As we enter March we have one of our own members Ted Thompson to tell us all about one of his cars that he is working on and maybe some other works of wonder as well. I am sure all will be interested in his wealth of information and his love for the Ford.

As always we look forward to what memory Susan Valentino will take us, some but not all have attended. Whatever the memory is she has a talent of stirring them up and we thank her. Thanks to our other committees who report on our advertising, membership, and of course our newsletter. Without them our club would not function.

Thank you to Cheryl Westra for jumping in and helping out when the need for help as our own Kathy Shedd is unable at this time. Cheryl will be taking the duty of the raffle until Kathy comes back to meeting.

As we enter March already and of course this year is going by quickly and we will be in need of officers for the year 2021 and I am in hopes that we all are thinking of or know of someone that is going to be interested in taking office. With that I leave with the thought implanted for now.

DUPRIEST FAMILY UPDATE

Membership. Just wanted to let you know Carroll is in Palative Care with Hospice. He has had a really tough time since last July. Right now he seems to be doing pretty well. He has numerous health issues that there is nothing more that can be done without risking a stroke or worse. He takes lots of care which is pretty tough on me. We do have some help three mornings a week. We miss seeing all you V8 members and all the fun we had all those years. I am attaching a photo which was taken last year. I decided to let my hair go white. I had been coloring it for years as Carroll didn't want me to have grey hair. Tell everyone "Hi" for us. Our best to all of you. Marlene and Carroll

ALL ABOUT TOURS

Seventeen V8ers gathered together on Wed, Feb 19th, to enjoy a tour to the Lake Elsinore area for the purpose of acknowledging three of our advertisers: Mark Carrillo, owner of Grump's Garage; Greg Rasmussen, owner of American Material Co, and Geronimo, owner of USA Metal Polishing. On our way to Lake Elsinore, we were invited to stop at the home of Ted and Dory Thompson to view their latest projects and just kick tires. Thanks to Ted and Dory for their generous hospitality. Then it was on to Grump's Garage, where Mark and his bother Jerry and father, also named Jerry, were waiting for us. Mark gave us unlimited access to his treasure trove of vintage parts for not only Fords but Chevys and other vintage iron. He has a vast collection of vinyl records and other music related items, and hosts small concerts at the rear of his store during the summer months. Then it was on to American Material Co, where owner Greg had left daughter Jenifer in charge of showing us around as he was attending an important meeting and couldn't be there to greet us. It was amazing to see how vast the world of fasteners and related items is! Jenifer had put out coffee and delicious pastries for our consumption. Thanks Jenifer. Then we said a quick hello to Jeronimo at USA Metal polishing, who was extremely busy attending to customer's needs. Our last stop was for lunch at The Bobber, an outdoor eatery located at the north end of Lake Elsinore. We sat under large umbrellas on a multilevel patio, enjoying warm temperatures and conversation. Although closed on Wednesdays, The Bobber agreed to serve lunch just for our group. Afterward several photos were taken of our Early V8s with the restaurant in the background. All in all it turned out to be a relaxing day. Those attending were:

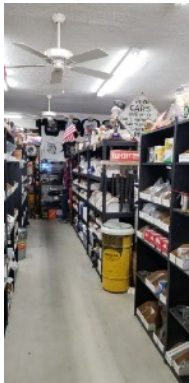

Jay and Janet Harris	'51 Ford Victoria
Cliff Gustin	unk
Gregg and Linda Lowry	Modern
Ted and Dory Thompson	'36 Ford Tudor

Breakfast & Fellowship

2020 Western Nationals Invitation & Raffle Item Request

The Hi-Country Regional Group #28 would like to extend an invitation to all EFV8 owners to come to Alamosa Colorado, September 20-24, 2020. Alamosa is located in the southwest part of Colorado, about 4 hours from Denver, at an elevation of 7500 feet.

Naturally, the National Meet will have all the basics that you have come to expect from such a gathering: judging and the concourse, seminars, the President's meeting, the Foundation Report, a swap meet, door prizes, "welcome-in" activities, a driving tour (which you definitely won't want to miss), raffle prizes, as well as a banquet and awards festivities, not to mention serious meet and great time. As you might expect, we will introduce our own "western flavor" to make things interesting.

For the traditional raffle, we hope to have lots of very interesting items. If your club would like to donate items, that will be much appreciated. If one of your members plans on attending the event, they may bring your donation with them, but we would appreciate knowing ahead of time that you plan to help out, or if your club would like to donate cash, we will purchase some local items and put your club information on it as a thank you. Also, if you can email us a copy of your club logo, we will put that on your donation as well.

4'x2'x8" Replica Ford Dealership Sign.
This is a very nice copy of an authentic Ford Company sign and valued around \$1500. This sign was originally a raffle item at our 2005 Western National Meet in Keystone, and Carl O'Loughlin was the winner. It has been in his garage ever since.

8BA Four-Barrel intake manifold valued at \$400

1936 Tool Kit valued at \$150

The Rocky Mountain Columbine Quilt is a very special item. It was made by the HI-Country Regional Group quilt ladies, specifically for raffle at the 2020 Alamosa Western National Meet. In finished form, it measures 73" x 60" --- essentially fitting a queen size bed. When seen in person, it is very impressive, and is something you'd love to win. The quilt center panel is comprised of a special applique featuring columbines, which are the Colorado State Flower. All of the fabrics used in making the quilt were batik, which speaks to the quality of the piece. Looking at the quilt, and especially the center panel, will always remind you of the great time you enjoyed in Alamosa. Should you decide to display the quilt on a rack, or as a wall hanging, the back of the quilt features an unobtrusive sleeve that allows it to be hung for full display. You will be proud to have this quilt in your home. Tickets for the above raffle items will be available ***at the event only*** for \$5 each or 5 tickets for \$20. General raffle tickets will be available ***at the event only*** for \$1 each or 26 for \$20 tickets. You can register by going to the national site, clicking on Upcoming Events, https://www.earlyfordv8.org/Upcoming_Events.cfm then scrolling down to the 2020 Western National Meet information page, or go to <http://hickeycountryv8.org/alamosa-2020/>. You may also either call 303-489-3944, 2020efv8meet@ecentral.com, and ask our Registrar,
